## Announcing the MMTC Henry M. Rivera Fellowship

**Hon. Henry M. Rivera, Esq.**, the Founding Chair of MMTC’s Board of Directors (1986-2011), has been an exemplary leader and renowned telecommunications attorney throughout his career. Through his service as a Federal Communications Commissioner (1981 – 1985), and as a Partner at the Wiley Rein telecommunications law firm (2006 to present), Commissioner Rivera has championed diversity and inclusion in the regulated communications industries. An internationally recognized communications expert, author, speaker, conference leader, and experienced practitioner, Commissioner Rivera has been named one of the District of Columbia’s “Super Lawyers,” among *The Best Lawyers in America in Communications Law*, and one of “500 Leading Lawyers in America” by *Lawdragon*. He has also been singled out as a “Leading Lawyer” by *Chambers USA* and named among the top 12 Telecom experts in the U.S. by *Legal Media Group’s Best of the Best*.

**Paving the Way for the Leaders of the Future.** As Chair Emeritus of MMTC, Commissioner Rivera continues to use his knowledge, skills, and passion for social justice to champion diversity and inclusion and guide MMTC’s mission to train the next generation of diverse media and telecom policy lawyers and professionals.

Through our longstanding Fellowship and internship programs, MMTC has trained over 80 lawyers and telecom professionals for careers in public, private, and public interest organizations. MMTC Fellowships, aimed at diversifying the communications bar, are named in recognition of leading media and telecommunications public interest experts and vanguard minority media owners. The spirit of MMTC’s principles and mission will be embodied in our new Henry M. Rivera Fellowship.
